

Just \$25 / month ensures a child in Africa has access to food, education and basic health care.

Give to a Vulnerable Child in Africa

The heart of Hands at Work is to reach 100,000 of Africa's most vulnerable children. Hands at Work operates throughout Africa, mobilising and equipping the church to look after orphans and widows by creating locally-owned community-based organisations among the poorest of the poor.

You will make a difference!
